5. Public Hearing – Pilot

- **Program Usage:** 16,904 trips were logged in the Uber app for the past month, a slight increase over the previous month.
- **Assessment:** The Administrator noted the program appears to be trending positively, though it is not yet fully achieving its intended results. Overall direction was characterized as favorable.
- **Program Timeline:** The pilot program is currently scheduled to conclude.
- **Request:** The Administrator raised the need to extend the pilot program by a few months, citing insufficient data/results to conclude it at this time, until December.
- The Chair noted that the matter had been properly noticed and posted for action, allowing the Board to take a motion.

Motioned to extend the termination date of the pilot program from October 31 to January 31 by Member Weekly, Seconded by Member Decker, *Passes Unanimously*

6. Public Hearing- Stakeholders

- **Cheryl Gibbons, on behalf of Desert Virgin Valley and Nellis**
- Issue Presented: NAC 706.6546 currently states that a driver may not operate a taxicab within the Authority's jurisdiction for a company other than the one listed on their driver's permit. The regulation was modified to add "or the parent company of the company listed on his or her driver's permit."
- Parent Company & Managed group without a formal parent/subsidiary structure
- Operational Concerned

No public comment. Item closed.

7. Public Comment

Consolidate agenda Item 7 & 9

8. Staff Report (For Discussion Only)

A. Administrator's Report

- Irma Primary contact for outreach / Successor to Gaile

- Key Metrics & Financials
 - Monthly Trips: Reached over 1,000,000 trips. Slightly down compared to last year's performance, largely impacted by the Nellis acquisition in August, though recovery is expected soon.
 - Combined Industry Trips: Year-over-year, total industry trips remain up ~1%.
 - Revenue per Trip: Increased to \$90.82.
 - Lease Revenue: Increased to \$28.15 (up +\$10.39).
- Fleet & Operations
 - Medallions: Uncharged at 35,130
 - Lease Decals: Standing at 2, 143
- Market Context & Local Activity
 - Seasonality: Transitioning out of the peak summer heat, with expectations for demand to pick up.
 - Strip Activity: Noticeable uptick in activity on the Las Vegas Strip, bolstered by attendees for the IATA conference.
 - Disruptions/Setup: Increased traffic setup and orange cones on the Strip due to ongoing Formula 1 (F1) preparations.

B. Enforcement/Compliance Report

- Dispatch & Enforcement Performance
 - Calls Handled by Dispatch: Decreased by 15%, reflecting dispatch pushing more calls directly to the road for increased officer responsiveness.
 - Uncertificated Passenger Carriers (UPTs): Apprehensions and impounds increased by 30%.
 - Arrests: Up by 1 from the previous month, bringing total arrests to 3.
 - Target Enforcement Events: Increased 41% to 91 events, resulting in 49 citations (a 44% jump from July).
- Accidents & Traffic Dynamics
 - Bumper Taps & Minor Accidents: Increased by 37%.
 - Contributing Factor: Directly correlated with higher overall traffic density and business activity, putting more vehicles on the road.
- Fare Disputes & Pilot Program
 - Monthly Numbers: Fare disputes decrease significantly, dropping from 7 in July down to 4 in August
 - Pilot Program Connection, if decrease in fare disputes was linked to any component of the ongoing pilot program
- Outside Law Enforcement (Metro) Involvement
 - Tracking & Documentation

- Jurisdictional Awareness, Law Enforcement usually notifies Taxicab of any incidents, all received full follow-up

- Stats

- Cabs in service 2,137

- Legal Counsel
